Gentlemen or Madam:

We strongly object to the outrageously high legal fee being requested in the subject matter.

Class Counsel intends to ask the Court to award attorneys' fees and expenses of up to \$10,200,000 which we feel is unreasonable since subclass members will be receiving less than \$100 for each claim filed.

Very sincerely,

**Subject:** Objection to Class Counsel's Fee Request

To the Settlement Administrator:

I am a LifeLock customer and am submitting a claim form via mail in the matter of Ebarle v Lifelock, Inc. I hereby object to the proposed fee request from the Class Counsel in the amount of up to \$10.2 million. This fee request is unconscionably large in relation to the pittance received by the individual Lifelock customers. The Subclass Members are expected to receive \$34 to \$39. This means that Class Counsel is proposing to receive payment equal to **at least 261,538 times the maximum** expected payment for an individual Subclass Member. This proposed fee amount is absolutely preposterous and fundamentally unfair. Class Counsel's fee should be reduced by a minimum of 90% with the \$9 million in savings distributed to Subclass Members. The remaining fee of over \$1 million would remain sufficient to compensate Class Counsel for its business efforts.

Regards,  
Don Carroll

My objection has to do with the amount I paid to them to keep my LIFE LOCKED. It was around 300 dollars I paid them to keep me from having my identity stolen, as I had a loan taken out in my name. So, I paid to be hacked. All my emails and on line accounts were hacked. I want back AT THE LEAST what I paid for the service. Twenty dollars does not cover any where near the fee they charged me.

Thank you
